The Board of Directors of Oakmont, as a member of the FCO, condemns the Board of the FSPOA for not signing a continued Management Agreement with the FCO without notice to the very residents they serve.

In our view, this conduct by the current board of the FSPOA is but the latest of numerous actions that it has taken, and is intent on continuing to take, to undermine the smooth operation of the FCO — the non-profit management organization that has worked tirelessly and effectively for more than 25 years to serve the interests of the various communities throughout The Fountains. Wherefore, because the current FSPOA Board is acting in a manner contrary to the best interests of Oakmont, as well as the best interests of all south court residents and the residents throughout the entire Fountains community, we are hereby calling upon the current Board of the POA to resign.
